

GEKKO 365 CRM SALES MASTER

Unlock the Full Potential of GEKKO 365

GEKKO 365 is not just a CRM system — it is part of a wider business development framework delivered by Pringle PCS .

When your company implements Gekko Wholesale and Gekko 365 , you do not simply receive software. You gain a fully integrated solution designed to manage orders, strengthen customer relationships, and actively increase sales performance.

One of the core strengths of Pringle PCS is our dedicated Sales & Business Training division . We ensure your sales and marketing teams understand how to use the CRM strategically — not just administratively.

We work directly with your team to maximise the value of Gekko 365, turning it into a structured revenue-driving platform rather than just a data storage tool.

Structured Sales & CRM Development Includes:

- Managing and nurturing sales leads
- Tracking target sales performance
- Monitoring outstanding requests and follow-ups
- Running structured email campaigns
- Managing customer engagement workflows
- Improving sales accountability and reporting

The objective is simple: to ensure your team understands how to use Gekko 365 not just as a CRM database, but as a structured sales and growth engine.

When CRM, wholesale operations and sales development operate together within one integrated platform, your business gains control, visibility and measurable commercial growth.

The Result

- Increased conversion rates
- Improved customer retention
- Stronger sales performance
- Clearer reporting and accountability
- Confident, structured team performance

This is the advantage of working with Pringle PCS .
